**Instructions (Please Read):** By initialing each paragraph, I am indicating that I have fully read and understand the paragraph. By signing below, I am agreeing to all the following:

### READ & INITIAL

\_\_\_ 10.1 I attest under penalty of perjury that I am applying for employment in good faith with the intention of accepting a position, if offered. I also affirm, that the information contained in this application is true, complete, and accurate.

\_\_\_ 10.2 I authorize investigation of all statements contained in this application form, if I am considered for employment. I also authorize previous employers, personal references named, or any other person to whom the Company may refer, to give any and all information regarding my employment or scholastic standing together with any information, personal or otherwise that may or may not be on their records. I further consent to the review of all publicly-posted material on otherwise, that may or may not be on their records. I further consent to the review of all publicly-posted material on social media sites and agree that such material may be considered in deciding whether to offer employment.

\_\_\_ 10.3 I understand that misrepresentation or omission of any facts called for herein, receipt of unsatisfactory references, or failure to pass a drug test, will be sufficient cause for disqualification from employment or for my dismissal from the Company's service, if I have been employed.

\_\_\_ 10.4 I agree that, if I am hired, at no time during my employment shall I engage in any conduct that is in direct conflict with the enterprise-related interests of my employer.

\_\_\_ 10.5 I understand and agree that nothing contained in this application or conveyed during any interview which may be granted, or during my employment if hired, is intended to create an employment contract between me and the Company. In addition, **I understand and agree that if hired, my employment will be "at-will," for no definite or determinable period of time, and may be terminated at any time, for any reason or for no reason at all, with or without prior notice, at the option of the Company or me.** I understand and agree that no promises or representation contrary to this "at-will" condition are binding on the Company, and that I have not relied, and will not rely, on any oral or written statements to the extent that such might even suggest that my status is anything other than "at-will." I further understand and agree that my "at-will" status cannot be changed except by a written document specifically addressing my individual "at-will" status, and signed by both me and a specifically authorized officer of the Company. I agree that it is my responsibility to confirm the authorization of any person signing such a document, since I understand the Company's intent is not to enter into any employment arrangements other than "at-will."

\_\_\_ 10.6 I have received the attached "Applicant Arbitration Agreement" and the terms of that document are incorporated by this reference into my application for employment. I acknowledge that the Company has instructed me to review that document and contact them to discuss any questions I may have about it before signing it. Regardless of whether or not I review and/or sign that document, I understand and agree that, by applying for employment with the Company, I am agreeing to be bound by the process set forth in that document, specifically, **I agree that all possible disputes I may have with the Company will be resolved only through arbitration.**

\_\_\_ 10.7 I understand and agree that this is the entire agreement between me and the Company regarding the term of my employment and replaces any other oral or written agreement or understanding. # 11 Arbitration

## APPLICANT ARBITRATION AGREEMENT

I acknowledge and understand that San Luis Ambulance Service (the "Company") has a Dispute Resolution Program that requires all disputes to be resolved through its Mutual Arbitration Policy ("MAP"). This requires mandatory, binding arbitration of all disputes, for all employees, regardless of length of service.

The MAP is incorporated by this reference into my application as though set forth here in full. By signing below, I am acknowledging that a copy of the full MAP will be made available to me by the Company upon request. I further understand that agreement that compliance with the MAP is a condition of my application for employment and, if employed, will be a condition of my employment.

By applying for a job with the Company, I acknowledge, understand and agree that it is my obligation to comply with the MAP and to submit to final and binding arbitration, any and all claims and disputes, whether they exist now or arise in the future, that in any way relate to or arise out of my application for employment, and if employed, my employment or the termination of my employment with the Company, except as otherwise permitted by the MAP.

I understand that final and binding arbitration will be the sole and exclusive remedy for any such claim or dispute against the Company or any affiliated companies or entities, and all of their owners, employees, officers, directors, agents, successors and assigns. I further understand that, by agreeing to use arbitration to resolve any and all disputes, both the Company and I agree to forego any right we each may have had to a jury trial on issues covered by the MAP, and forego any right to bring claims on a class or collective basis.

To the extent I wish to assert claims on behalf of a government entity or other party (meaning I am not directly a party) and such representative action involves issues that in any way arise out of or relate to my application for employment and, if hired, my employment, I agree to submit such claims to arbitration under the MAP. This would include, but not be limited to claims brought pursuant to the California's Private Attorney General Act ("PAGA") Labor Code §2698, *et seq.*, or any similar state or federal law, unless resolving such claims through arbitration is specifically prohibited by law. If resolving such claims through arbitration is deemed to be so prohibited, such claims shall be stayed pending the completion of arbitration of any and all other claims being asserted by me or the Company.

I agree that any arbitration will be conducted before an arbitrator chosen by me and the Company in accordance with the Employment Arbitration Rules and Mediation Procedures of the American Arbitration Association ("AAA"). I also agree that the arbitration will be conducted under the Federal Arbitration Act and the applicable procedural rules of the AAA, which are available for my review at [www.adr.org](http://www.adr.org) and upon request to the Company.

I acknowledge that in exchange for my agreement to mediate and arbitrate, the Company also agrees to submit all claims and disputes it may have with me to final and binding arbitration. The Company agrees that my maximum out-of-pocket expenses for the arbitrator and AAA administrative costs will be limited to an amount equal to the local civil court filing fee and the Company will pay all of the remaining fees and administrative costs of the arbitrator and the AAA. I understand that I will be responsible, however, for my own attorneys fees and costs to the same extent as would have been my responsibility had I gone to court instead of resolving any disputes under the MAP.

If any provision of the MAP is found unenforceable, that provision may be severed without affecting this agreement to arbitrate. I further acknowledge that this mutual obligation to arbitrate may not be modified or rescinded except by the mutual consent of both me and the Company, except for changes that may be required in order for the MAP to comply with the law.
